(4) In the following cases, ~~the~~ vacancies which ~~are~~ permanent, ~~have~~ been registered in the temporary vacancy Register & vice versa

(3)

(1) A vacancy of a clerk on Rs 30-3-60 which occurred on the 26th August 1927

(5) A candidate other than one of those that applied for the vacancy that was advertised in the Gazette has been appointed in the following vacancy with the appl. of Govt.

A vacancy of a clerk on Rs 30-3-60 which occurred on the 26th August 1927.

In this connection the following observation is made:-

The non-C.R.B. candidate (B.C. Minianua) a Graduate who was already working in the Office was appointed with the approval of Govt in deference to the undergraduates that applied for the vacancy on the ground that it was necessary to appoint a Graduate in the interest of the work. The necessity for obtaining the sanction of Govt as a special case to the appointment of this non-C.R.B. candidate in the advertised vacancy could have been obviated if that candidate (who was perhaps already in view) was asked to defer his application for the vacancy in the usual course.

- (2) A vacancy caused by the temporary transfer of Mr Mallasaya to the Registrar General's Office has been registered in the permanent vacancy Regr. for Permanent vacancies.
- (3) A vacancy on Rs 40-4-100 caused by the transfer of Mr A. B. Nair to the District Office, has been registered in the V. Regr. for Permanent vacancies. This should be registered in the temporary series.

(4) - are there cases in which, the new appointments shown have been made, under the rules, in the higher grade?
by

(6) A candidate appointed in the lower grade Rs 30-3-60 is shown in the vacancy Reg^r. as having been appointed in the higher grade in the following cases:
(a) The vacancy Register shows that one Muro Bante was appointed in a vacancy on Rs 40-4-100 which occurred on the 3rd December 1927. From the ~~so~~ subsequent entries in the vacancy Register and the connected file leading to the appointment of the candidate, it was found that one Mr Dussan Sheriff who was working in the lower Grade Rs 30-3-60 was promoted to the higher Grade vacancy and that Mr Muro Bante was appointed in the released vacancy in the lower Grade.

(b) One Mr Jaffer Sheriff is shown in the vacancy Register as having been appointed in the vacancy of a clerk on Rs 40-4-100 which occurred on the 6th January 1928. From the connected file it is seen that this official was appointed on Rs 45 in grade Rs 30-3-60.

(c) One C. N. Padmanabhaiah is shown in the vacancy Register as having been appointed in ~~the~~ a vacancy of a clerk on Rs 40-4-100. But the connected file shows that one Mr. C. V. Nanjunda Sastri on Rs 60 in grade Rs 30-3-60 was promoted

to this vacancy and that Badma nabhaiya was appointed in the released vacancy in the lower grade.

(a) ~~the statement~~

(7) Vacancies have not been registered in the order of their occurrence.

(a) A ^{temporary} vacancy of a clerk on Rs 40-4-100 occurred on the 6th January 1928. ~~This should have been registered as serial no. 6 in the vacancy Regr. as it occurred prior to the 1st of February 1928, the date on which the vacancy registered prior to the one in question occurred.~~

(b) A permanent vacancy which occurred on the 15th January 1929 has been registered after a vacancy which occurred on the 15th February 1929.

This shows that the registers are being systematically kept up.

(8) Vacancies that have been filled up by transfer are brought on the vacancy Register.

This is not correct

(i) A vacancy of Clerk on Rs 40-4-100 which occurred on the 12th December 1928 was filled up by the transfer of one Mr B. K. Seehajin Row, Ag Head Accountant of the Bangalore District Office. This should not have been taken as a vacancy in this Office for purposes of clarifying this as well as future vacancies registered in the Vacancy Register.

(ii) The vacancy caused on account of the transfer of Mr H. Prasad, was filled up by the transfer of Mr Syed Basha Peer from the Education Department

(9) Particulars entered in the vacancy Register are at variance with the Acquittance Roll in the following case.

One Mr H. S. Sampangi Ramaiya Second of Rights Clerk on Rs 100 went on other duty as Amildar from 28th August 1930 up to 11th May 1931.

The Vacancy Register shows the vacancy of Record of Rights on Rs 100/- was filled up by the promotion of an official in grade 40-4-100. The latter vacancy was registered as a Promotion vacancy and orders of Government were obtained (G.O. No. 1404-5 D.R. 12 dated the 18th September 1931) to promote Mr J. D. N. Pillay ^{clerk} in the lower grade Rs 30-3-60. Details are were not available as to the disposal of the vacancy released by Mr J. D. N. Pillay.

The Acquittance Roll shows the following arrangements made to fill up the vacancy.

- (1) Vacancy — of Clerk Rs 100
- (2) Mr. B. Ramaswamiya — Vice Rs Clerk on Rs 95 in Rs 40-4-100
- (3) Mr. Mono Panth — Vice Rs Clerk on Rs 52 in Rs 30-3-60

The released vacancy on Rs 30-3-60 was filled up without reference to the C.R.D. by the appointment of locally available candidates as shown below

- (a) 28th to 31st August 1930 — A. Shanana
- ~~for~~ September 1930 — — do —
- (b) October 1930 up to 11th May 1931 — B. N. Rama Rao

Mr. J. D. N. Pillay notwithstanding the orders of Government regarding his promotion, has all along drawn his pay in his own grade of Rs 30-3-60 during the period.

This is Shunna:

The following observations ^{have to be} ~~are~~ made in ~~this~~ connection with the disposal of the vacancy on Rs 100/-

- (a) Seriatim promotions contrary to the rules of recruitment ^{have been} ~~are~~ given effect to till the very last grade
- (b) Even the last grade vacancy has been filled up without reference to the Recruitment Board by the appointment of non-CRS Candidates.
- (c) The Government Order directing the promotion of ~~the~~ Mr. J. K. N. Pillay from the grade Rs 30-3-60 to Rs 40-4-100 has

(10) not been given effect to.

The following case shows the continuance of the appointment of a non CRS candidate (made in one vacancy) in several other vacancies so as to ^{enable him to have} ~~give him~~ to his credit continuous service & experience of work of a long period which may ^{go} ~~lead~~ to his credit at a later period to support his claim for a suitable appointment in the Department as a special case without reference to the C-R Board rules.

Such action is ~~the~~ deprecated

Sambasiva Row Naide Clerk in grade Rs 40-4-100 went on other duty as Amildar. This place was filled up by the promotion of C. V. Nanjundaswamy on Rs 30-3-60. In the latter vacancy, Mr. Moropant was permitted to continue who took leave by the end of May 1931 and resigned his appointment. In this vacancy B. N. Rama Row who was working in other vacancies from October 1930 (a non-CRS candidate) was appointed in June 1931 and continued till March 1932 when one K. Venkataratnam was appointed to this vacancy as per G.O. No. 4742 CRS of 24.3.32. Soon after B. N. Rama Row was posted in the vacancy of ~~Mr~~ Mr C. S. Jaffer Sheriff on Rs 30-3-60 who was working in the higher grade.

So far as the ^{present} ~~status~~ of Inspectors is ^{concerned} ~~relates~~, it will be seen that B. N. Rama Row continued in service from October 1930 up to March 1932 and onwards. Such opportunities to non-CRS candidates to serve in vacancies of more than three months and also continuously in several such vacancies should not be

afforded without the previous approval of the CR Board or Government through the CR Board.

(II) In the following case, an official taken on transfer from another office in a temporary vacancy, instead of being reverted at the time when the vacancy ceased was continued in other vacancies and confirmed.

One Mr. B. N. Seshagiri Rao Ag. Head Accountant of the Bangalore District Office was taken on transfer in a temporary vacancy of Clerk at Rs 40-4-100 on the 12th January 1928. He was continued from July 1928, in the vacancy released by Mr. K. Prasad. (who was appointed in a permanent vacancy) up to September 1930 when he was confirmed in a vacancy released ^{by} due to the shuffling of appointments of Messrs. J. N. Abdul Rahim, G. S. Jaffer Sheriff and Hassan Sheriff.

(III) Temporary officials were absorbed in permanent vacancies but the ~~released~~ vacancies ^{thus} do not appear to have been made available for direct recruit

recruitment.

(1) Mr. D. Prasad temporary official in grade Rs 20-2-100 was confirmed in a vacancy which became permanent on the 3rd November 1928 (~~due~~ on account of the resignation of Mr B. A. Parka sarathi Row.) In this connection, it was directed ~~sent~~ in letter no. 5946 CRB dated the 25th January 1929 ~~and~~ that in the ~~released~~ ^{when,} vacancy arrangements should be made in accordance with the rules. It appears that no action was taken to advertise the vacancy.

This is input

(2) One C. V. Badmanabhaiah temporary Clerk on Rs 30-3-60 was appointed in a permanent vacancy of the same grade which occurred on the 5th December 1928 on account of the death of Mr Raja Nark. The ~~released~~ vacancy does not appear to have been advertised and filled up.

(3) Mr G. Ayalappa temporary Clerk was confirmed in a vacancy on Rs 40-4-100 which became permanent on the 29th December 1928. (on account

of the Confirmation of B.
Subrahmanyam as Head
Clerk in the Mysore District
Office. The disposal of the released
vacancy, ^{thus created} does not appear to have
been made in conformity with
the C.R.S. rules.

(13)
Direct recruitment vacancies
have been treated as Promo-
tion ones irrespective of the
recruitment rules in the follow-
ing cases:

(a) A vacancy of Clerk on Rs 40-4-100
which occurred on the 6th January 1928.

(b) A permanent vacancy of
Clerk on Rs 40-4-100 which occurred
on the 7th August 1930 on account of
the Confirmation of Mr
Sambasiva Row Vaidya as
Amildar.

(c) & (d) Serial numbers 2 and
7 in the Vacancy Register
maintained for Perma-
nent vacancies.

(14)
Filling up the leave vacancies
which in the aggregate ^{extended} become
of more than 3 months in duration
without advertisement.

ordered in the leave vacancy of V. Loganathan:-
 Three months and 9 days leave was applied for
 from 24th October 1929. During various short
 periods the following officials were appointed:-

- 1) D. Veera Setty
- 2) V. Ranga Rao
- 3) K. K. Appaiya

Leave was further extended to 5 months and 9 days

	March 1930	-	-	K. K. Appaiya worked in the vacancy.
Leave extended to 7 months and 9 days.	April 1930	-	-	^{Krishnaswamy} K. S. Subrahmanyam Iyer worked in the vacancy.
	May 1930	-	-	-do-
Leave extended to 8 months and 9 days.	June 1930	-	-	-do-
	July 1930	-	-	V. Ranga Rao worked in the vacancy.
Leave extended to 10 months and 9 days.	August 1930	-	-	-do-
Leave extended to 11 months and 19 days.	September 1930	-	-	-do-
	October 1930 (till the 12th)	-	-	-do-

Though the vacancy existed for 11 months and 19 days it was not brought under Central Recruitment Board Rules which is irregular.

(15) It is noticed from the office memos, that certain persons are entertained as volunteers and afterwards appointed in short term leave vacancies (Vide Office memos dated 1) 22-11-30 2) 27-7-31(3) 23-1-32) The entertainment of volunteers does not appear to have been authorised by Government.

Revenue Inspectors.

(16) The separate vacancy Register maintained for these appointments was looked into. Vacancies were registered separately for each District. Instructions were given to register these -- vacancies in a continuous series (according to rules) in the order of their report. The connected files in respect of reports of vacancies were gone into. All the temporary vacancies were sent up to the Central Recruitment Board for advertisement. But they were not advertised and the "A" Statements were returned to the Revenue Commissioner's office for further action in accordance with the Financial Secretary's Circular. Instructions were also given to the clerk concerned about the correct posting of the register.

that

A candidate other than one of those applied for the vacancy that was advertised in the Gazette has been appointed in the following vacancy with the approval of Government.

A vacancy of a clerk on Rs 30-3-60 which occurred on the 26th August 1927.

In this connection the following observation is made:-

The non-C.R.B. candidate (B.C.Munianna) a

graduate

who was already working in the office was appointed with the approval of Government in preference to the ~~undermentioned~~ undergraduates that applied for the vacancy on the ground that it was necessary to appoint a graduate in the interest of the work. The necessity for obtaining the sanction of Government as a special case to the appointment of this non-C.R.B. candidate in the advertised vacancy could have been obviated if that candidate (who was perhaps already in view) was asked to prefer his application for the vacancy in the usual course.

A candidate appointed in the lower grade Rs 30-3-60 is shown in the vacancy register as having been appointed in the higher grade in the following cases:-

(a) The vacancy Register shows that one ^{Mr} Morepanth was appointed in a vacancy on Rs 40-4-100 which occurred on the 3rd December 1927. From the subsequent entries in the vacancy register and the connected file leading to the appointment of the candidate, it was found that one Mr. Hussain Sheriff who was working in the lower grade Rs 30-3-60 was promoted to the higher grade vacancy and that Mr. Morepanth was appointed in the released vacancy in the lower grade.

(b) One Mr. Jaffer Sheriff is shown in the vacancy register as having been appointed in the vacancy of a clerk on Rs 40-4-100 which occurred on the 6th January 1928. From the connected file it is seen that this official was appointed on Rs 45 in grade Rs 30-3-60.

(c) One C.N. Padmanabhaiya is shown in the vacancy register as having been appointed in a vacancy of a clerk on Rs 40-4-100. But the connected file shows that one Mr. C.W. Nanjunda Sastry on Rs 60/-

in grade Rs 30-3-60 was promoted to this vacancy and that Padmanabhaiya was appointed in the released vacancy in the lower grade.

Vacancies have not been registered in the order of their occurrence-

(a) A temporary vacancy of a clerk on Rs 40-4-100 occurred on the 6th January 1928. This has been registered after one which occurred on 1st February 1928.

(b) A permanent vacancy which occurred on the 12th January 1929 has been registered after a vacancy which occurred on the 15th February 1929.

Vacancies that have been filled up by transfer are brought on the vacancy register.

(i) A vacancy of clerk on Rs 40-4-100 which occurred on the 12th December 1928 was filled up by the transfer of one Mr.B.K.Seshagiri Rao, ag. Head Accountant of the Bangalore District Office. This should not have been taken as a vacancy in ~~the~~ office for purposes of classifying this as well as future vacancies registered in the vacancy register.

(ii) The vacancy caused on account of the transfer of Mr.K.Prasad, was filled up by the transfer of Mr.Syed Pasha Peer from the Education Department.

Particulars entered in the vacancy Register are at variance with the Acquittance Roll in the following case.

One Mr.H.S.Sampangi Ramaiya, Record of Rights Clerk on Rs 100 went on other duty as Amildar from 28th August 1930 up to 11th May 1931. The vacancy Register shows that the vacancy of Record of Rights clerk on Rs 100 was filled up by the promotion of an official in grade Rs 40-4-100. The latter vacancy was

registered as a Promotion vacancy and orders of Government were obtained (G.O.No.R.1404-5/L.K.64-31-12 dated the 18th September 1931) to promote Mr.T.K.N. Pillay, clerk in the lower grade Rs 30-3-60. Details are not available as to the disposal of the vacancy released by Mr.T.K.N.Pillay.

The Acquittance Roll shows that the following arrangements made to fill up the vacancy -

1 Vacancy - of clerk on Rs 100.

2.Mr.B.Ramaswamaiya, clerk Vice No.1-
on Rs 96 in Rs 40-4-100.

3.Mr.Moro Panth, clerk on Vice No.2-
Rs 52 in Rs 30-3-60.

The released vacancy ~~xxxx~~ on Rs 30-3-60 was filled up without reference to the C.R.Board by the appointment of locally available candidates as shown below -

a) 28th to 31st August 1930 - A.Shamanna.
September 1930 -Do-

b) October 1930 up to 11th
May 1931. B.N.Rama Rao.

Mr.T.K.N.Pillay notwithstanding the orders of Government regarding his promotion, has all along ~~been~~ drawn his pay in his own grade of Rs 30-3-60 during the period.

The following observations have to be made in connection with the disposal of the vacancy on Rs 100/-

a) Seriatim promotions contrary to the rules of recruitment have been given effect to till the very last grade.

b) Even the last grade vacancy has been filled up without reference to the Recruitment Board by the appointment of non-C.R.B. candidates.

c) The Government Order directing the promotion of Mr.T.K.N.Pillay from the grade Rs 30-3-60 to Rs 40-4-100 has not been given effect to.

The following case shows the continuance of the appointment of a non-C.R.B. candidate (made in one vacancy) in several other vacancies so as to enable him to have to his credit continuance service and experience of work of a long period which may go at a later period to support his claim for a suitable appointment in the Department as a special case ^{Board} without reference to the Central Recruitment/Rules.

Sambasiva Rao Naidu, clerk in grade Rs 40-4-100 ~~was~~ went on other duty as Amildar. This place was filled up by the promotion of C.V.Nanjunda Sastry on Rs 30-3-60. In the latter vacancy Mr.Moropanth was permitted to continue who took leave by the ^{resigned} end of the May 1931 and ~~registered~~ his appointment. In this vacancy B.N.Rama Rau who was working in other vacancies from October 1930 (a non-C.R.B. candidate) was appointed in June 1931 and continued till March 1932 when one K.Venkataratnam was appointed to this vacancy as per G.O.No.4742/C.R.B. dated 24th Maych 1932. Soon after B.N.Rama Rau was posted in the vacancy of Mr.O.S.Jaffer Sheriff on Rs 30-3-60 who was working in the higher grade.

So far as the present Inspection is concerned it will be seen that B.N.Rama Rau continued in service from October 1930 up to March 1932 and onwards. Such ~~appointment~~ opportunities to non-C.R.B. candidates to serve in vacancies of more than three months and also continuously in several such vacancies should not be afforded without the previous approval of the Government through the Central Recruitment Board.

In the following case, an official taken on transfer from another office in a temporary vacancy, instead of being reverted at the time when the vacancy ceased was continued in other vacancies and confirmed.

One Mr.B.K.Seshagiri Rao, ag. Head Accountant of the Bangalore District ~~Board~~ Office was taken on transfer in a temporary vacancy of clerk on

Rs 40-4-100 on the 12th January 1928. He was continued from July 1928 in the vacancy released by Mr.K.Prasad (who was appointed in a permanent vacancy) up to September 1930 when he was confirmed in a vacancy released by the shuffling of appointments of Messrs. J.N.Abdul Rahim, O.S.Jaffer Sheriff and Hassan Sheriff.

Temporary officials were absorbed in permanent vacancies but the vacancies released do not appear to have been made available for direct recruitment.

1) Mr.K.Prasad temporary official in grade Rs 40-4-100 was confirmed in a vacancy which became permanent on the 3rd November 1928 (on account of the resignation of Mr.B.R.Parthasarathi Rao) In this connection it was directed in letter No.5946/C.R.B. dated the 26th January 1929 that in the vacancy released arrangements should be made in accordance with the rules. It appears that no action was taken to advertise the vacancy.

2) One C.N.Padmanabhaiya, temporary clerk on Rs 30-3-60 was appointed in a permanent vacancy of the same grade which occurred on the 5th December 1928 on account of the death of Mr.Raja Naik. The vacancy released does not appear to have been advertised and filled up.

3) Mr.G.Avalappa, temporary clerk was confirmed in a vacancy on Rs 40-4-100 which became permanent on the 29th December 1928 (on account of the confirmation of B.Subrahmanyam as Head Clerk in the Mysore District Office) The disposal of the vacancy^{thus} released does not appear to have been made in conformity with the Central Recruitment Board Rules.

Direct recruitment vacancies have been treated as promotion ones irrespective of the recruitment rules in the following cases -

a) A vacancy of clerk on Rs 40-4-100 which

occurred on the 6th January 1928.

b) A permanent vacancy of clerk on Rs 40-4-100 which occurred on the 7th August 1930 on account of the confirmation of Mr. Sambasiva Rao Naidu as Amildar

c) & d). Serial numbers 4 and 7 in the vacancy Register maintained for permanent vacancies.

The following arrangements have been ordered in the leave vacancy of V. Loganathan:-

leave was further extended to 5 months and 9 days -

	March 1930	K.K. Appaiya worked in the vacancy.

	May 1930	- Do -

	July 1930	V. Ranga Rao worked in the vacancy.
Leave extended to 10 months and 9 days.	August 1930	- Do -
Leave extended to 11 months and 19 days.	Septr. 1930	- Do -
	Oct. 1930 (till the 12th)	- Do -

Though the vacancy existed for 11 months and 19 days it was not brought under Central Recruitment Board Rules which is irregular.

It is noticed from the office memo^s, that certain persons are entertained as volunteers and afterwards appointed in short term leave vacancies (Vide Office Memos dated 1) 22-11-1930; 2) 27-7-31; 3) 23-1-32). The entertainment of volunteers does not appear to have been authorised by Government.

Revenue Inspectors.

The separate vacancy Register maintained for these appointments was looked into. Vacancies were registered separately for each District. Instructions were given to register these vacancies in a continuous series (according to rules) in the order of their report. The connected files in respect of reports of vacancies were gone into. All the temporary vacancies were sent up to the Central Recruitment Board for advertisement. But they were not advertised and the "A" statements were returned to the Revenue Commissioner's Office for further action in ~~the matter~~ accordance with the Financial Secretary's Circular.
